# GRINDING - REFINING MACHINES RB

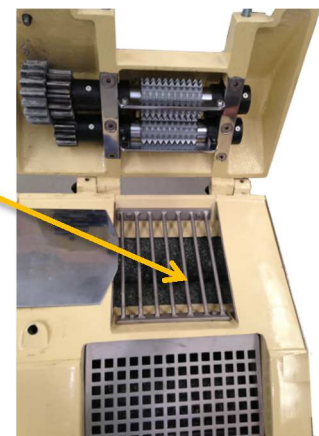

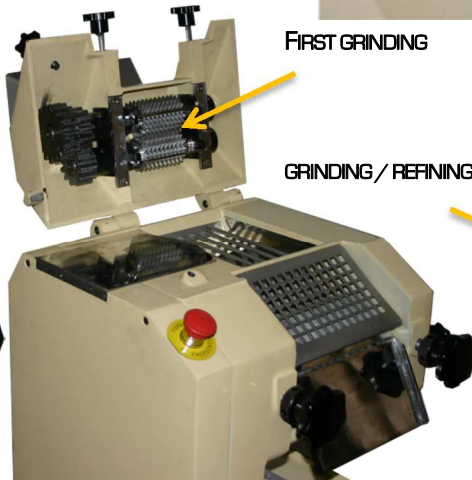

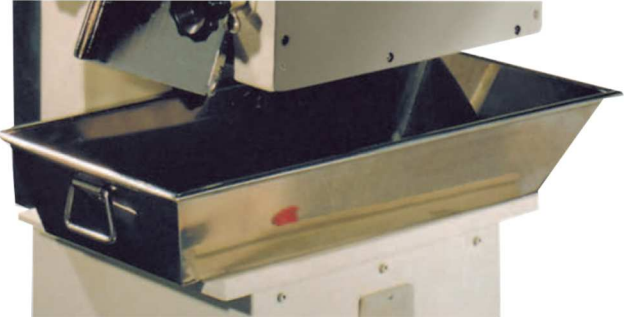

The grinding and refining 3 rock rolls is perfect to grind almonds and nuts. To make your own almond paste, pralines. The mechanism allows an easy and quick use.

## THE MACHINE

Equipped with 3 basalt rock rolls and a set of adjustable hard chromed steel grinders.

Equipped with three blades which allow the machine to be used as either refiners or grinders. The rolls are mounted on ball bearings which are housed in lifetime lubrication cases provided with safety seals which prevent the oil from the mixing with the stuff being processed and eliminate the need for periodic lubrication
